

**APOLLO TO HOST INVESTOR WEBINAR ON
MAIDEN RESOURCE ESTIMATE AT CALICO PROJECT**

Vancouver, British Columbia, February 15, 2022 – Apollo Silver Corp. (TSX.V:APGO, OTCQB:APGOF, FSE:6ZF0) (“Apollo” or the “Company”) is pleased to invite all current and prospective shareholders to its webinar this Wednesday, February 16, 2022 at 1:00 p.m. PST.

The webinar will be facilitated by Tom Peregoodoff, CEO, and Cathy Fitzgerald, VP Exploration and Resource Development, who will be reviewing the results disclosed in the Company’s news release dated February 9, 2022, regarding the Company’s Maiden National Instrument (“NI”) 43-101 Mineral Resource Estimates for the Waterloo and Langtry silver properties, now collectively referred to as the Calico Silver Project (“**Calico**” or the “**Calico Project**”), located in San Bernardino County, California.

Apollo will be opening the floor to pre-submitted and live-chat questions, and looks forward to engaging with its current and prospective shareholders. A recorded version of this webinar will be available by February 18, 2022 on Apollo’s website.

Investors are invited to submit their questions to info@apollosilver.com.

To register for this webinar, please visit: <http://www.apollosilver.com/webinars/>.

QUALIFIED PERSONS

About Apollo Silver Corp.

Apollo Silver Corp. has assembled an experienced and technically strong leadership team who have joined to advance world class precious metals projects in tier-one jurisdictions. The Company is focused on advancing its portfolio of two significant silver exploration and resource development projects, the Calico Silver Project, in San Bernardino, California and Silver District Project in Arizona.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Cautionary Statement Regarding “Forward-Looking” Information

Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in the Company’s periodic filings with Canadian securities regulators. When used in this news release, words such as “will”, “could”, “plan”, “estimate”, “expect”, “intend”, “may”, “potential”, “appear”, “should,” and similar expressions, are forward-looking statements. Although Apollo Silver Corp. has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance or achievements not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate or that management’s expectations or estimates of future developments, circumstances or results will materialize. As a result of these risks and uncertainties, the results or events predicted in these forward-looking statements may differ materially from actual results or events. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this news release, and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.
