

## MAIDEN RESOURCE ESTIMATE WEBINAR LIVE ON WEBSITE

**Vancouver, British Columbia, February 24, 2022 – Apollo Silver Corp. (TSX.V:APGO, OTCQB:APGOF, FSE:6ZF0) (“Apollo” or the “Company”)** is pleased to announce that a video recording of its webinar from last Wednesday, February 16, 2022 at 1:00 p.m. PST, is now live on its website.

The webinar was hosted by Tom Peregoodoff, President and CEO, and Cathy Fitzgerald, VP Exploration and Resource Development, who reviewed the Company’s Maiden National Instrument (“NI”) 43-101 Mineral Resource Estimates for the Waterloo and Langtry silver properties, now collectively referred to as the Calico Silver Project (“**Calico**” or the “**Calico Project**”), located in San Bernardino County, California, as disclosed in the Company’s news release dated February 9, 2022.

In addition to reviewing the mineral resource estimate results, Tom and Cathy reviewed the identified growth opportunities and spoke about Apollo’s upcoming plans to advance the Calico Project, followed by a question and answer session. Interested shareholders or prospective investors who were unable to attend are invited to watch the recording of the webinar at the Apollo’s website: [www.apollosilver.com/webinars](http://www.apollosilver.com/webinars) or on YouTube at [https://youtu.be/F\\_3dYtdX2Sc](https://youtu.be/F_3dYtdX2Sc). Follow-up questions are encouraged and can be submitted to [info@apollosilver.com](mailto:info@apollosilver.com).

Please visit [www.apollosilver.com](http://www.apollosilver.com) for further information.

ON BEHALF OF THE BOARD OF DIRECTORS

Tom Peregoodoff  
Chief Executive Officer

### **Cautionary Statement Regarding “Forward-Looking” Information**

Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in the Company’s periodic filings with Canadian securities regulators. When used in this news release, words such as “will”, “could”, “plan”, “estimate”, “expect”, “intend”, “may”, “potential”, “appear”, “should,” and similar expressions, are forward-looking statements. Although Apollo Silver Corp. has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance or achievements not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate or that management’s expectations or estimates of future developments, circumstances or results will materialize. As a result of these risks and uncertainties, the results or events predicted in these forward-looking statements may differ materially from actual results or events. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this news release, and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.
