

Apollo Silver's September Marketing Activities

VANCOUVER, British Columbia, August 18, 2022 – Apollo Silver Corp. (TSX.V: APGO) (OTCQB: APGOF) (FSE: 6ZF0) (“Apollo” or the “Company”) is pleased to announce that it will host a corporate update webinar for shareholders, investors, and analysts on Thursday, September 8, 2022, at 9:00 a.m. PT / 12:00 p.m. ET.

The webinar will be facilitated by Tom Peregoodoff, President & CEO, and Cathy Fitzgerald, VP Exploration and Resource Development and will focus on Company's Calico Silver Project (“**Calico**”), located in San Bernardino County, California. Specifically, the Company will provide an update on the 2022 Technical Program drilling results to date, the commencement of Phase 2 of the drill program, and the timing of the Company's planned Mineral Resource Estimate update. Following the virtual presentation, Apollo will take questions from webinar participants.

Interested participants are encouraged to register in advance for the webinar on the Company's website at: <http://www.apollosilver.com/webinars/>. The Company will provide an update closer to the webinar date with further information regarding accessing the presentation. A replay of the webinar will be available on September 12, 2022, on Apollo's website. Investors are invited to pre-submit questions to: info@apollosilver.com.

Beaver Creek Precious Metals Summit

Apollo is also pleased to announce that Tom Peregoodoff will be in Beaver Creek, Colorado during the Precious Metals Summit being held at the Beaver Creek Resort, in Beaver Creek, Colorado, on September 13-16, 2022. Tom will host in-person meetings with investors, brokers and other members of the capital markets community. Anyone interested in meeting with the Company is asked to contact investor relations directly via email at info@apollosilver.com to arrange a meeting time.

ON BEHALF OF THE BOARD OF DIRECTORS

Tom Peregoodoff
President & Chief Executive Officer

Cautionary Statement Regarding “Forward-Looking” Information

Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning the specific factors disclosed here and elsewhere in the Company’s periodic filings with Canadian securities regulators. When used in this news release, words such as “will”, “could”, “plan”, “estimate”, “expect”, “intend”, “may”, “potential”, “appear”, “should,” and similar expressions, are forward-looking statements. Although Apollo Silver Corp. has attempted to identify important factors that could cause actual results, performance or achievements to differ materially from those contained in the forward-looking statements, there can be other factors that cause results, performance or achievements not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate or that management’s expectations or estimates of future developments, circumstances or results will materialize. As a result of these risks and uncertainties, the results or events predicted in these forward-looking statements may differ materially from actual results or events. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release are made as of the date of this news release, and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.
